Pilots - Replacement Parts

When contacting SL for Replacement Parts please have the Product # and Date of Manufacture on hand, if possible. This is located on the bottom of the pilot assembly. This will help to ensure SL ships you the exact parts you need.

	<p>Ejector Pins</p>	<p>English and Metric: Ejector-09-.740Long</p>
	<p>Patched Fasteners</p>	<p>Metric: CapScrew-Standard-Patched-M10_1.5-20mm English: CapScrew-Standard-Patched-.375_16-.75</p>
