Pilot Setting Tools

P-F Style

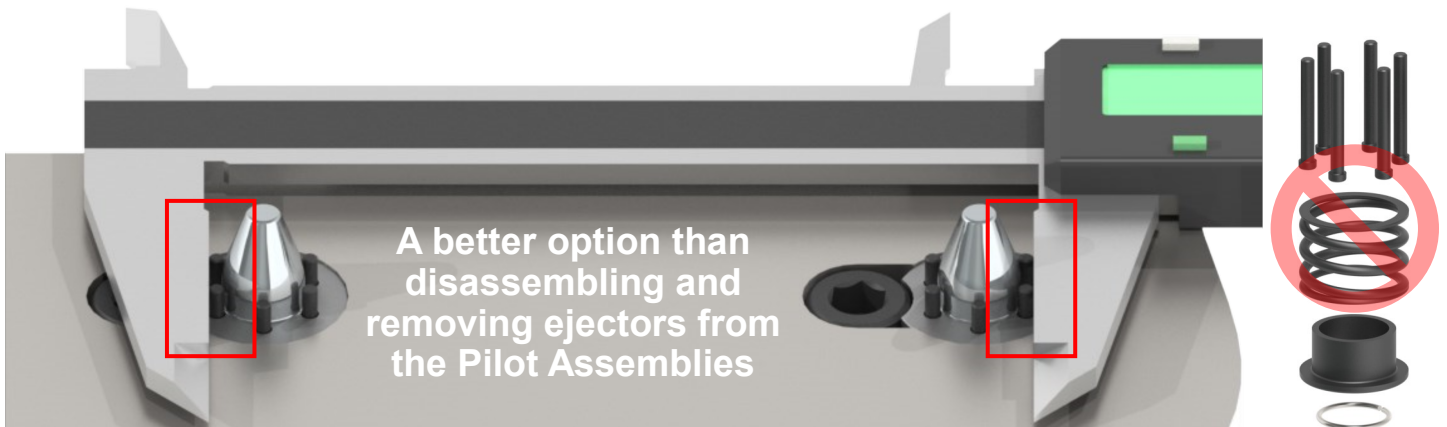

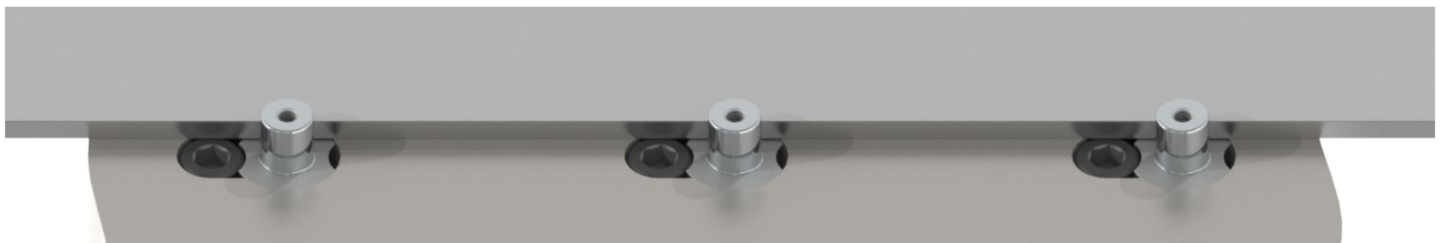

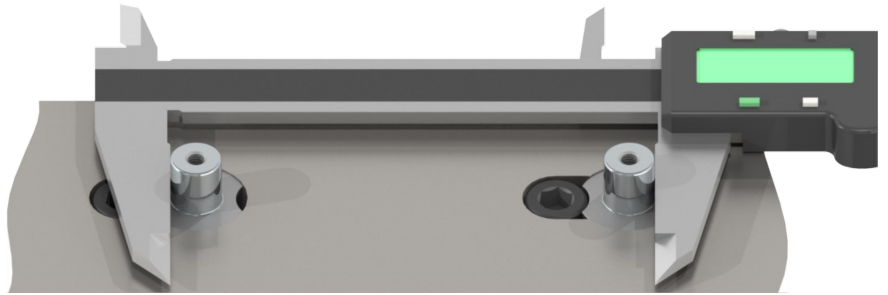

- Tool installs in the same machining as the Pilot
- Same diameter as the Pilot but taller
- Tap on top for easy removal
- Offered in sets of 3 (\$60-\$100 per set / based on size)

P-BT Style

**Useful when verifying
Pilot mounting
machining
is in-line and/or
pitch is correct.**

**A better option than
disassembling and
removing ejectors from
the Pilot Assemblies**
